Temporary Food Establishment (TFE) Food Vendor Application

This application must be completed and submitted to the Alexander County Environmental Health Department to provide information about all food preparation and sales to the public at any public event or exhibition within Alexander County.

Please Note: A fee of \$75.00 will be required for each Temporary Food Establishment application and must be paid with the submission of each Food Vendor Application. This application must be completed and returned to the Alexander County Environmental Health Department no less than two weeks before the event. Vendors arriving at the event without having submitted an application will be inspected after all other vendors have been inspected and permitted and this application has been completed. All vendors must comply with all applicable rules before permit will be issued.
