

Instructions for Registering a Homebirth

The process to register a homebirth in Alexander County can be found below.

1. Submit a request for a homebirth certificate by contacting the Deputy Registrar or the Assistant Deputy Registrar. The following information will be needed to submit a request for a homebirth certificate:
 - a. Mother's Name.
 - b. Mother's Address.
 - c. Mother's Phone Number.
 - d. Child's date of birth.
2. Once the Registrar mails the homebirth packet, the parent/guardian will complete the homebirth packet paperwork and mail the packet to the address listed below:

Alexander County Health Department
Vital Records
338 1st Ave. SW
Taylorsville, NC 28681

3. Once the homebirth packet paperwork has been received, whomever completed the paperwork will receive a call from the Alexander County Health Department to make an appointment to come in and complete the homebirth registration process. The mother, father or certifier, and child must be present at the time of the appointment.

If you have any additional questions or concerns, please feel free to contact the Deputy Registrar or the Assistant Deputy Registrar with the Alexander County Health Department. The Registrar's contact information can be found below.
