

****PUBLIC NOTICE****
UPDATED INFORMATION
Effective May 10th, 2026

In order to better serve the community and minimize wait times, Alexander County Health Department is moving to an appointment-based system for all services, including immunizations, TB skin tests, and outside labs, effective immediately.

Please call (828) 632 – 9704 to schedule an appointment. We appreciate all understanding and look forward to providing citizens with a smooth, efficient experience.

Thank you!
